Hi Everyone,

We are going to have a call tomorrow from 1-2pm with Dan McGrew of the Griffith Company, the general contractor for the South Park Walkability Project. Dan asked to have the call to prepare for the Kick-off meeting on December 16th. He had a few topics he wanted to discuss including:

- * Contract and type- fixed price or hourly?
- * Preliminary scope for schedule and permitting plan (or the bulleted items on page 2 of the RFQ)?
- * Time frame for completion of design... and construction?
- * Proposed time frame for Walking Tour?
- * Etc

Please let me know if you can jump on the call and I will send out an invite with the dial in info.

Thanks!
